DEED OF LEASE

THIS DEED OF LEASE (this "Lease"), made as of the 23rd day of July, 20 25 by Route 30 Mall Framingham, Ma. Limited Partnership with its principal office located at [redacted] herein called **"Owner"**, and **Halal Eatz Inc** doing business at **341 Cochituate Road, Suite 3, Framingham, Massachusetts 01701,** [redacted] herein called **"Tenant"**.

W I T N E S S E T H :

ARTICLE 1 - GRANT AND TERM

SECTION 1.01. Leased Premises.

In consideration of the rents, covenants and agreements hereinafter reserved and contained on the part of Tenant to be observed and performed, Owner demises and leases to Tenant, and Tenant rents from Owner, those certain premises, now or hereafter to be erected in the shopping center owned by Owner and known as **Route 30 Mall**, which shopping center is outlined in green on Exhibit "A" attached hereto and made a part hereof (herein called the **"Shopping Center"**) in **Framingham** (City), **Middlesex** (County), **Massachusetts** (State), which premises consists of a store containing an area of approximately **2,167** square feet, herein collectively called the **"leased premises"**. The above measurements are computed from exterior front wall, back wall, and any side exterior wall and from center line of demising walls. The boundaries and location of the leased premises are outlined in red on the site plan of the Shopping Center, which is marked Exhibit "A" attached hereto and made a part hereof.

SECTION 1.02. Use of Additional Areas.

The use and occupation by Tenant of the leased premises shall include the use in common with others entitled thereto of the common areas of the Shopping Center, as such common areas may be designated from time to time by Owner, subject, however, to the terms and conditions of this agreement and to reasonable rules and regulations for the use thereof as prescribed from time to time by Owner.

SECTION 1.03. Commencement and Ending Date of Term.

The terms and conditions of this Lease shall be effective from the date of execution of this Lease by Owner and Tenant. The date that Owner delivers possession of the leased premises to Tenant shall be referred to in this Lease as the "Possession Date." The term of this Lease shall commence upon the Possession Date (the "**Commencement Date**"); provided, however, that if such date is not the first day of a calendar month, then the Commencement Date shall automatically be deferred until the first day of the next month (and Tenant shall pay on the Commencement Date a prorated portion of the initial Fixed Minimum Rent for the partial month immediately preceding the Commencement Date). The term of this Lease shall end on the day immediately preceding the first day of the **one hundred thirty-third (133rd)** month of the Commencement Date (the **"Termination Date"**).

SECTION 1.04. Lease Year Defined.

The term **"lease year"** as used herein shall mean a period of twelve (12) consecutive full calendar months; provided, however, that the first lease year shall begin on the Commencement Date and shall end on the day prior to the first (1st) anniversary of the Possession Date, except that if the Possession Date is not the 1st of the month, then the first lease year shall end on the last day of the month in which the first anniversary of the Possession Date occurs. Each succeeding lease year shall commence upon the first day after the end of the previous lease year.

SECTION 1.05. Holding Over.

If Tenant shall be in possession of the leased premises beyond the Termination Date or earlier Termination of the Lease, the tenancy under this Lease shall become that of "month to month", terminable by either party upon thirty (30) days' prior written notice, at a monthly rental equal to twice of the sum of (i) the monthly installment of Fixed Minimum Rent as defined in SECTION 2.01, payable through the last month of the term. Tenant shall also pay all other charges payable under the terms of this Lease, prorated for each month during which Tenant remains in possession. Such "month to month" tenancy shall also be subject to all other conditions, provisions, and obligations of this Lease. Furthermore, at the sole and absolute discretion of Owner expressed by written notice to Tenant in accordance with any applicable statutory notice requirements, but not otherwise, holding over by Tenant shall constitute a renewal of this Lease for a period of one (1) year commencing upon the Tenant's receipt of such notification thereof and the same terms and conditions as provided for in the Lease shall remain, except the Fixed Minimum Rent shall be as specified in this Section 1.05. Tenant shall not interpose any counterclaim or counterclaims in a summary proceeding or other action based upon such holding over. Tenant shall defend, indemnify, protect and hold Owner and Owner's shareholders, members, partners, affiliates, officers, directors and employees harmless from and against any and all losses resulting from Tenant's failure to surrender possession upon the expiration of the Lease Term, including, without limitation, any claims made by any succeeding lessee.

SECTION 1.06. Excuse of Owner and Tenant's Performance.

Anything in this agreement to the contrary notwithstanding, Owner and Tenant shall be relieved of their obligations and shall not be deemed in default with respect to the performance of any of the terms, covenants and conditions of this Lease if same shall be due to any strike, civil commotion, warlike operation, invasion, rebellion, hostilities, military or usurped power, sabotage, governmental regulations or controls, disease, epidemics, inability to obtain any material, service or financing, through Act of God or other cause beyond the control of the other.

ARTICLE 2 - RENT

SECTION 2.01. Minimum Rent.

Tenant agrees to pay to Owner at the office of Owner, or at such other place designated by Owner, without any prior demand therefor and without any deduction or set-off whatsoever, and as fixed minimum rent (the "Fixed Minimum Rent") the sum [redacted] in advance upon the first day of each calendar month commencing on the Commencement Date through the last day of the first lease year; [redacted]. Effective as of the first day of the second (2nd) lease year and as of the first day of each lease year thereafter during the term hereof, the Fixed Minimum Rent then in effect shall be increased by the product of (i) three [redacted] and (ii) the Fixed Minimum Rent in effect immediately prior to such increase, and the monthly installments of Fixed Minimum Rent shall be upwardly adjusted accordingly.

To secure payment of said Fixed Minimum Rent (as well as all additional rent due hereunder), this Lease constitutes a security agreement under the Uniform Commercial Code in effect in the Commonwealth of Massachusetts, as same may be amended from time to time (the "UCC"). As security for the performance of Tenant's obligations hereunder, Tenant grants to Owner a lien upon and a security interest in Tenant's existing or hereafter acquired furniture, inventory, trade fixtures, personal property and equipment which are located in the leased premises or used in connection with the business to be conducted in the Premises and in the proceeds thereof. Such lien shall be in addition to Owner's rights of distraint. Tenant shall from time to time and promptly upon request from Owner, provide Owner with a detailed inventory of all such furniture, inventory, trade fixtures, personal property and equipment. Additionally, within five (5) days after request, Tenant shall execute, acknowledge and deliver to Owner a security agreement, financing statement or any other document submitted to Tenant evidencing or establishing such lien and security interest. In addition, Owner may, in its discretion, file any such financing statement without any signature from Tenant. In addition to Owner's remedies hereunder, Owner shall have all enforcement rights available under the UCC. Tenant agrees not to remove any property of any kind including but not limited to furniture, fixtures and equipment, from the Premises without the prior written consent of Owner.

Notwithstanding anything in this Lease to the contrary, Tenant shall be obligated to make all payments of Fixed Minimum Rent and additional rent, as defined within the Lease, through the Owner's designated electronic payment's portal. Owner reserves the right to change the Owner's designated electronic payment portal at any time through written notice, subject to the notification methods set forth in Section 28.06 of the Lease. Tenant's failure to make payments through the Owner's designated electronic payment portal does not excuse Tenant from making payments through other means, including but not limited to automated

electronic funds transfer or an automated clearing house (ACH). In each instance when Tenant does elect to pay through other means, Tenant will be subject to a surcharge fee equal to [redacted] of the Fixed Minimum Rent, which shall be payable as additional rent, as defined in Section 2.04 of the Lease. Failure to complete payment by the due date will result in a late charge as outlined in Section 2.05 of the Lease.

SECTION 2.02. Percentage Rent.

Intentionally Deleted

SECTION 2.03. Gross Receipts Defined.

Intentionally Deleted

SECTION 2.04. Additional Rent.

Tenant shall pay as additional rent any money required to be paid pursuant to SECTIONS 2.01, 2.05, 2.06, 5.01, 7.01, 11.01, 13.01, 13.02, 14.02, 14.04, 14.05 and 15.01, and all other sums of money or charges required to be paid by Tenant under this Lease, whether or not the same be designated "additional rent". If such amounts or charges are not paid at the time provided in this Lease, they shall nevertheless, if not paid when due, be collectible as additional rent with the next installment of rent thereafter falling due hereunder, but nothing herein contained shall be deemed to suspend or delay the payment of any amount of money or charge at the time the same becomes due and payable hereunder, or limit any other remedy of Owner.

SECTION 2.05. Late Charge.

Tenant shall pay a [redacted] balance per month on any Fixed Minimum Rent, additional rent, amount or charges of the character described in SECTION 2.04 hereof when said sums are not RECEIVED BY OWNER VIA THE DESIGNATED ELECTRONIC PAYMENT PORTAL OR OTHERWISE AT THE ADDRESS OR ACCOUNT IT HAS GIVEN TENANT FOR PAYMENT by the 1st of the month, to cover the extra expenses may include, but are not limited to, administrative and accounting efforts and expenditures, collection efforts by Owner's collection department and correspondence with Tenant and efforts to obtain and insure performance of Tenant's obligations hereunder. The parties acknowledge that the foregoing efforts and changes are not capable of exact determination, and that the late charge provided for in this Section represents a reasonable estimate of the amounts necessary to compensate Owner for its efforts and expenditures in handling late payments by Tenant. As such, the parties hereto agree that the said late charges are enforceable liquidated damages and are not penalties.

SECTION 2.06. Rent and Additional Rent More Than Thirty (30) Days Overdue.

If Tenant shall fail to pay within thirty (30) days of receipted notice or when the same is due and payable, any Fixed Minimum Rent, additional rent, amount or charges of the character described in SECTIONS 2.04 and 2.05 hereof, such unpaid amounts shall bear interest from thirty (30) days after receipted notice or when the same is due and payable to the date of payment at a rate equal to the maximum interest rate permitted by law for the overdue amounts or charges of the character described in SECTIONS 2.04 and 2.05 hereof.

ARTICLE 3 - RECORDS AND BOOKS OF ACCOUNT

SECTION 3.01. Tenant's Records.

Intentionally Deleted

SECTION 3.02. Reports by Tenant.

Intentionally Deleted

ARTICLE 4 - AUDIT

SECTION 4.01. Right to Examine Books.

The acceptance by Owner of payments of percentage rent shall be without prejudice to Owner's right to an examination of Tenant's books and records of its gross receipts and inventories of merchandise at the leased premises in order to verify the amount of annual gross receipts received by Tenant in and from the leased premises. Owner may only examine Tenant's books, which also includes audit set forth in Section 4.02, once a year.

SECTION 4.02. Audit.

At its option, Owner may cause, at any reasonable time upon forty eight (48) hours prior written notice to Tenant, a complete audit to be made of Tenant's entire business affairs and records relating to the leased premises for the period covered by any statement issued by Tenant as above set forth. If such audit shall disclose a liability for rent to the extent of two percent (2%) or more in excess of the rentals therefore computed and paid by Tenant for such period, Tenant shall promptly pay to Owner the cost of said audit in addition to the deficiency, which deficiency shall be payable in any event , and in addition, Owner, at Owner's option, may terminate this Lease upon five (5) days' notice to Tenant of Owner's election to do so. Any information obtained by Owner as a result of such audit shall be held in strict confidence by Owner.

ARTICLE 5 - TAXES

SECTION 5.01. Taxes.

Commencing on the Possession Date and continuing throughout the entire term of this Lease, Tenant agrees to pay its proportionate share of Real Property Taxes (as defined below). Tenant shall pay that portion of such Real Property Taxes equal to the product obtained by multiplying the total Real Property Taxes by a fraction, the numerator being the square foot area of the leased premises, and the denominator of which shall be the total square footage, minus the first floor area of the tenant with the largest first floor, of all leased first floor area in the Shopping Center.

Notwithstanding anything in this Article 5 to the contrary, if any tenant of the Shopping Center pays directly for the Real Property Taxes on a separately assessed tax parcel within the Shopping Center (whether such payment is made to Owner or directly to the taxing authority) rather than paying a pro rata share of Real Property Taxes, then the real property taxes for such separately assessed parcel shall be deemed excluded from the definition of Real Property Taxes under this Lease and the square footage of such tenant's premises shall be excluded from the denominator in the immediately preceding paragraph for purposes of computing Tenant's proportionate share of Real Property Taxes.

Tenant will make monthly escrow payments towards its proportionate share of all Real Property Taxes, such amount to be set by Owner. Owner will bill Tenant periodically for its proportionate share of said Real Property Taxes, accompanied by copies of the appropriate tax bills. The total billing for Tenant's proportionate share of Real Property Taxes less the amount previously paid by Tenant will result in an adjustment whereby Tenant will either receive a credit equivalent to the excess of Real Property Taxes paid which may be deducted by Tenant from the next monthly payment of Real Property Taxes or shall pay the balance due to Owner for additional taxes within ten (10) days of receipt of the bill. Tenant shall have twelve (12) months after receiving notice to apply such credit to amounts owed or such credit shall become null and void. The monthly amount to be paid on account will be revised each year by Owner to more closely reflect one twelfth (1/12) of Tenant's share of Real Property Taxes due for the next tax year. Tenant shall, on or before the Possession Date, reimburse Owner for its proportionate share of the then current tax year's Real Property Taxes covering the period from the Possession Date through the end of the then current tax year, together with

INITIAL HERE
OWNER TENANT

an amount sufficient to bring current its Real Property Taxes escrow fund as aforesaid. During any year, Owner, from time to time, may revise its estimate of the Real Property Taxes which will be due for that year and the monthly payments to be made by Tenant on account thereof.

For any period for which Taxes are due hereunder which is less than a full calendar year, the allocation of Real Property Taxes shall be further reduced to limit such charge to a corresponding pro rata portion of such year.

For purposes of this Lease, "Real Property Taxes" shall mean all real property taxes and assessments and any other charges and fees which may be levied or assessed by any lawful authority against the land and improvements in the Shopping Center. If due to a change in the method of taxation, any franchise, income, profit tax or any other tax which may be levied against Owner in substitution for or in lieu of any tax which would otherwise constitute a real estate tax, such franchise, income, profit tax or any other tax shall be deemed to be a Real Property Tax for the purpose hereof. Real Property Taxes shall further include any "gross receipts tax" on revenue received from the Shopping Center. Also included in real estate taxes shall be any taxes charged to Owner or the Shopping Center pursuant to any cross easements or other similar agreements affecting the Shopping Center. If the Real Property Taxes are increased because of Tenant's improvements, use or occupancy, either prior to or during the term of the Lease, then Tenant shall be responsible for one hundred percent (100%) of such increase.

Tenant further covenants that if it fails to take possession of its leased premises for any reason, that it shall remain liable to pay such share of such Real Property Taxes. Tenant agrees that this is not to be construed as a penalty.

Included above in Real Property Taxes shall be any and all expenses incurred by Owner, at its discretion, in reducing or maintaining the existing level of such tax obligations to the taxing authorities.

For the purposes of this agreement, the periods applicable to the payment of Real Property Taxes shall be determined at Owner's sole discretion to be either on the basis of the calendar year in which Owner pays the taxes or the period as may be stated within the tax bill. The selected method will be applied consistently during the term of the Lease.

For the first partial calendar year for which Taxes are due under this Lease, Tenant will pay its pro rata share of the Real Property Taxes as provided for in this SECTION for the entire year multiplied by a fraction consisting of the number of days in the calendar year for which Tenant is responsible for the Taxes, divided by the number of days in that calendar year.

Tenant may request in writing, once a year, to the Owner any documents evidencing the amount of the Real Property Tax of the Shopping Center and the calculation of Tenant's share thereof. The Owner shall provide such documents to the Tenant within twenty (20) business days after receiving the request in writing.

ARTICLE 6 - CONSTRUCTION, ALTERATION, AND CONFIGURATION

SECTION 6.01. Changes and Additions to Buildings.

Owner hereby reserves the right at any time to make alterations or additions to and to build additional stories on the building in which the leased premises are contained and to build adjoining the same. Owner also reserves the right to construct other buildings or improvements in the Shopping Center from time to time and to make alterations thereof or additions thereto and to build adjoining same and to construct parking facilities.

SECTION 6.02. Configuration of Shopping Center.

Owner reserves the right in its sole discretion at any time to modify the size, configuration, boundaries and common areas of the Shopping Center, as well as the improvements thereon.

ARTICLE 7 - CONDUCT OF BUSINESS BY TENANT

SECTION 7.01. Use of the Leased Premises.

Tenant shall use the leased premises solely for the purpose of conducting the business of: a "Halal Eatz" restaurant (fresh casual / quick serve) primarily serving Middle Eastern cuisine and Middle Eastern drinks and for no other purpose whatsoever.

Tenant shall occupy the leased premises provided for in SECTION 1.01 hereof, and shall conduct continuously in the entirety of the leased premises the business above stated. Tenant will not use or permit, or sufter the use of the leased premises for any other business or purpose. Tenant shall not conduct catalogue sales in or from the leased premises except of merchandise which Tenant is permitted to sell "over the counter" in or at the leased premises pursuant to the provisions of this SECTION. Notwithstanding anything contained in this Lease to the contrary, Tenant's use as hereinabove provided for or occupancy of the leased premises shall not conflict with any exclusive use provisions or any restrictive covenants of any other leases within the Shopping Center.

In the event that Tenant fails to pay rent, vacates and/or abandons the leased premises during the term of this Lease, or fails to take possession and continuously operate its business as stated in this Section and in Section 7.02 below, the whole sum to be paid as rental and additional rental throughout the entire term of this Lease including the Fixed Minimum Rent herein provided for, shall immediately become due and payable with a thirty day cure period after Tenant receiving the notice to cure from Owner. Owner, at its option, may re-enter the leased premises and relet the same and it is expressly agreed that Tenant shall not be entitled to credit for the rents so received until the sum due from Tenant to Owner, including damages, expenses, attorneys' fees, cost of alterations and repairs as herein provided shall have been fully paid, and nothing in this paragraph shall be deemed to have waived any other right or remedy of Owner.

SECTION 7.02. Operation of Business.

Tenant hereby covenants and agrees to complete all of Tenant's improvements to the leased premises and to commence normal business operations in the leased premises by no later than the two hundred and fortieth (240th) day following the date the building permit is obtained. Tenant will use reasonable commercial effort and good faith diligence to apply for the building permit as soon and practical as possible after the possession of the leased premises. If Tenant fails to have commenced normal business operations in the entirety of the leased premises (and to have provided written certification thereof to Owner) by the Required Opening Date for any reason whatsoever, then Tenant shall be in default of the Lease, and, in addition to all other remedies available to Owner under the Lease, if the Commencement Date is subsequent to the Required Opening Date, then Tenant shall be obligated to pay to Owner rent, payable in advance upon the first day of each calendar month, at the rate payable during the first lease year, for each day between the Required Opening Date and the Commencement Date for which Tenant is not open for business to the general public and has not provided the written certification to Owner referred to above.

Tenant recognizes that the Shopping Center, other occupants and Owner will suffer severe harm if Tenant is not open for business when required under this Lease. Therefore, Tenant shall operate all of the leased premises during the entire term of this Lease with due diligence and efficiency so as to produce all of the gross sales which may be produced by such manner of operation, unless prevented from doing so by causes beyond Tenant's control. Tenant shall open and keep the leased premises fully stocked, staffed, lighted and open for business and shall operate one hundred percent (100%) of the leased premises during the entire term of this Lease. Subject to inability by reason of strikes or labor disputes, Tenant shall carry at all times in the leased premises a stock of merchandise of such size, character and quality as shall be reasonably designed to produce the maximum return to Owner and Tenant. Tenant shall conduct its business in the leased premises during the regular customary days and hours for such type of business in the city or trade area in which the Shopping Center is located, and will keep the leased premises open for business during the same days, nights and hours as the majority of the stores located in the Shopping Center. Tenant shall install and maintain at all times displays of merchandise in the display windows (if any), of the leased premises. Tenant shall keep the display windows and signs, if any, in the leased premises well lighted during the hours from sundown to 11:00 p.m., unless prevented by causes beyond the control of Tenant. Each failure of Tenant to keep the leased premises open for business as herein required shall be deemed a breach of this Lease. Notwithstanding anything in this Lease to the contrary, if Tenant ceases to continuously operate its business in the entirety of the leased premises as required by Section 7.01 and by this Section 7.02 at any time during the term hereof, then (a) the monthly installment of Fixed Minimum Rent shall change to the same amount as would be payable in the case of a holdover under Section 1.05 for the remainder of the lease term or until Tenant re-opens and conducts business to Owner's sole satisfaction, and (b) Tenant shall be obligated to pay to Owner, within ten (10) days after demand therefor, an amount equal to (i) all Fixed Minimum Rent and additional rent that would have been

payable under this Lease for any period for which Tenant was granted an abatement of rent under this Lease had such abatement not been granted and (ii) all Fixed Minimum Rent that would have been payable between the Possession Date and the Commencement Date had Fixed Minimum Rent been due during such period (assuming Fixed Minimum Rent would have been payable at the rate in effect during the first lease year). The foregoing payments shall be in addition to all other rights and remedies that Owner may have on account of Tenant's failure to continuously operate its business, including the right to declare a default under this Lease, it being hereby acknowledged by Tenant that Owner will suffer damages for Tenant's failure to open and operate Tenant's business, that the actual damages would be difficult to calculate, and that the liquidated damages set forth above represents a fair and reasonable approximation of Owner's actual damages. Tenant further acknowledges that all abatements provided in this Lease are specifically conditioned upon Tenant's covenant to continuously operate its business as required by Section 7.01 and by this Section 7.02 for the entirety of the term hereof.

SECTION 7.03. Competition.

During the term of this Lease, Tenant shall not directly or indirectly engage in any similar or competing business within a radius of three (3) miles from the outside boundary of the Shopping Center. SECTION 7.04. Storage, Office Space.

Tenant shall warehouse, store and/or stock in the leased premises only such goods, wares and merchandise as Tenant intends to offer for sale at retail at, in, from or upon the leased premises. This shall not preclude occasional emergency transfers of merchandise to the other stores of Tenant, if any, not located in the Shopping Center. Tenant shall use for office, clerical or other non-selling purposes only such space in the leased premises as is from time to time reasonably required for Tenant's business in the leased premises. No auction, fire or bankruptcy sales may be conducted in the leased premises without the previous written consent of Owner.

SECTION 9.02. Use and Return of Deposit.

In the event of the failure of Tenant to keep and perform any of the terms, covenants and conditions of this Lease to be kept and performed by Tenant, then Owner at its option may appropriate and apply said entire deposit, or so much thereof as may be necessary, to compensate Owner for loss or damage sustained or suffered by Owner due to such breach on the parf of Tenant. Should the entire deposit, or any portion thereof, be appropriated and applied by Owner for the payment of overdue rent or other surns due and payable to Owner by Tenant hereunder, then Tenant shall, upon the written demand of Owner, forthwith remit to Owner a sufficient amount in cash to restore said security to the original sum deposited, and Tenant's failure to do so within five (5) business days after receipt of such demand shall constitute a breach of this Lease. Should Tenant comply with all of said terms, covenants and conditions and promptly pay all of the rental herein provided for as it falls due, and all other sums payable by Tenant to Owner hereunder, the said deposit shall be returned in full within ninety (90) days to Tenant at the end of the term of this Lease, or upon the earlier termination of this Lease.

SECTION 9.03. Transfer of Deposit.

Owner may deliver the funds deposited hereunder by Tenant to the purchaser of Owner's interest in the leased premises, in the event that such interest be sold and thereupon Owner shall be discharged from any furfher liability with respect to such deposit.

Owner shall have the right to construct, maintain and operate lighting facilities on all said areas and improvements; to police the same; from time to time to change the area, level, location and arrangement of parking areas and other facilities herein above referred to; to restrict parking by tenants, their officers, agents and employees to employee parking areas; to enforce parking charges (by operation of meters or otherwise) to close all or any portion of said areas or facilities to such extent as may, in the opinion of Owner's counsel, be legally sufficient to prevent a dedication thereof or the accrual of any rights to any person or the public therein; to close temporarily all or any portion of the parking areas or of facilities; to discourage non-customer parking; and to do and perform such other acts in said areas and improvements as, in the use of good business judgment, Owner shall determine to be advisable with a view to the improvement of the convenience and use thereof by Tenant, its officers, agents, employees and customers. INITIAL HERE
OWNER TENANT

Commencing on the Possession Date and continuing throughout the entire term of this Lease, Tenant shall pay to Owner as additional rent, Tenant's proportionate share of Common Charges for each year or portion thereof. Notwithstanding anything in this Article 11 to the contrary, if any tenant of the Shopping Center pays directly for any particular service or cost that is a component of Common Charges within the Shopping Center (whether such payment is made to Owner or directly to any third party service provider) rather than paying a pro rata share of the cost of such component of Common Charges, then, with respect to such particular component of Common Charges only, the amount expended by such tenant shall be excluded from the definition of Common Charges under this Lease and the square footage of such tenant's premises shall be excluded from the denominator in the immediately preceding sentence for purposes of computing Tenant's proportionate share of such component of Common Charges. If the amount due from Tenant exceeds the amount of the estimated payments, Tenant shall pay the ditference to Owner within ten (10) days of the receipt of such statement. If Owner determines that Tenant Improvements are not being properly performed (which may include but not be limited to their timeliness and quality), such failure shall constitute a default of this Lease. If Tenant fails to cure any such default within ten (10) days atter written notice thereof is delivered to Tenant, Owner may, in addition to exercising its default remedies specified elsewhere in this Lease, do one or more of the following: (i) by written notice to Tenant require that Tenant and its Contractors immediately cease work, (ii) take over the performance of the Tenant Improvements and engage the necessary contractors and construction experts to perform the Tenant Improvements and in such an event Tenant shall reimburse Owner all such costs Owner may thereby incur, and/or (iii) Owner may draw upon any posted performance bond or letter of credit. Upon expiration of this Lease or earlier termination thereof, Tenant shall remove its Building Sign and repair any damage to the façade to the sole satisfaction of Owner.

SECTION 12.02. Removal and Restoration by Tenant.

All trade fixtures, equipment, alterations, decorations, additions and improvements made by Tenant, or made by Owner on Tenant's behalf by agreement under this Lease, shall remain the property of Tenant for the term of this Lease, or any extension or renewal thereof. Such trade fixtures, equipment, alterations, decorations, additions and improvements shall not be removed from the premises prior to the end of the term hereof without consent in writing from Owner . Tenant shall promptly pay all contractors and materialmen, so as to minimize the possibility of a lien attaching to the leased premises, and should any such lien be made or filed, Tenant shall bond against or discharge the same within ten (10) days after written request by Owner. Tenant agrees to sweep and clean, and remove snow and ice from the sidewalk and any handicapped ramps in front of the leased premises. If Tenant prepares food in the leased premises, Tenant shall install grease catching equipment, which must be approved by Owner, on all plumbing, exhaust, and HVAC units serving the leased premises. Tenant shall keep the grease catching equipment in good operating condition and shall maintain, repair or replace the equipment upon Owner's request. Tenant shall comply with all recommendations made by Owner's insurance carrier. In the event Tenant's occupancy causes any increase of premium for the fire, boiler and/or casualty rates on the leased premises or any part thereof above the rate for the least hazardous type of occupancy legally permitted in the leased premises, Tenant also shall pay in such event, any additional premium on the rent insurance policy that may be carried by Owner for its protection against rent loss through fire. The term "expense" shall include, but not be limited to, any attorneys' fees or expenses incurred by Owner in connection with the aforesaid and attorneys' fees or expenses incurred in connection with any action to recover such attorneys' fees or expenses. If any claim, action or proceeding is made or brought against any Owner Party, against which claim, action or proceeding Tenant is obligated to indemnify such Owner Party pursuant to the terms of this Lease, then, upon demand by the applicable Owner Party, Tenant, at its sole cost and expense, shall resist or defend such claim, action or proceeding in the Owner Party's name, if necessary, by such attorneys as the Owner Party may select, including, without limitation, attorneys for the Owner Party's insurer. Notwithstanding the foregoing, if such attorneys shall be defending both Tenant and the Owner Party, such Owner Party may retain its own attorneys to defend or assist in defending any claim, action or proceeding, and Tenant shall pay the reasonable fees and disbursements of such attorneys.

SECTION 14.04. Plate Glass.

Tenant shall replace, at its expense, any and all plate and other glass damaged or broken from any cause whatsoever in and about the leased premises except that the damage is caused by Owner Party. Tenant shall provide Owner with evidence of such waiver of subrogation rights by endorsement to the required insurance policies.

SECTION 14.06. Personal Property.

No Tenant shall entrust any property to any employee of Owner, any Owner Party, or any other employee of the Shopping Center. Any such person or entity to whom any property is entrusted by or on behalf of Tenant in violation of the foregoing prohibition shall be deemed to be acting as Tenant's agent with respect to such property and neither Owner nor any of the Owner Parties shall be liable for any damage or loss to any such property.

SECTION 14.07. Windows and Scaffolding.

If at any time any windows of the leased premises are temporarily closed, darkened or covered for any reason, including Owner's own acts, or if any such windows are permanently closed, darkened or covered by reason of any legal requirements, Owner shall not be liable for any damage Tenant may sustain thereby, and Tenant shall not be entitled to any compensation therefor nor abatement of rent, nor shall the same release Tenant from Tenant's obligations hereunder nor constitute an eviction. Tenant agrees that Owner may erect a sidewalk bridge or scaffolding in front of the building in which the leased premises is located in connection with repairs or improvements to the building, in which event Owner shall not be liable for any damage Tenant may sustain thereby, and Tenant shall not be entitled to any compensation therefor nor abatement of rent, nor shall the same release Tenant from Tenant's obligations hereunder nor constitute an eviction.

Commencing on the Possession Date and continuing throughout the entire term of this Lease, Tenant shall be solely responsible for and promptly pay all charges for heat, water, gas, electricity, air conditioning or any other utility used or consumed in the leased premises. Should Owner elect to supply the water, gas, heat, electricity, air conditioning or any other utility used or consumed in the leased premises or if any of the aforesaid utilities serving the leased premises are not separately metered, Tenant agrees to purchase and pay for the same as additional rent at the rates determined by Owner. In this case, Tenant has the right to request from Owner the documents showing the separate utility charges and calculation thereof, Owner shall provide such document within reasonable time period. In no event shall Owner be liable for an interruption or failure in the supply of any such utilities to the leased premises. SECTION 16.02. Attornment.

Tenant shall, in the event any proceedings are brought for the foreclosure of, or in the event of exercise of the power of sale under any mortgage made by Owner covering the leased premises, attorn to the purchaser upon any such foreclosure or sale and recognize such purchaser as Owner under this Lease.

SECTION 16.03. Subordination.

This Lease is hereby made subject and subordinate to any future or present mortgages. Tenant agrees to confirm the subordination in a written instrument upon request of Owner.

SECTION 16.04. Attorney-in-Fact.

Tenant, upon request of any party in interest, shall execute promptly such instruments or certificates to carry out the intent of SECTIONS 16.01, 16.02 and 16.03 above as shall be requested by Owner. If fifteen (15) days after the date of a written request by Owner to execute such instruments, Tenant shall not have executed the same, Owner may, at its option, cancel this Lease without incurring any liability on account thereof, and the term hereby granted is expressly limited accordingly.

ARTICLE 17 - ASSIGNMENT AND SUBLETTING

SECTION 17.01. Assignment and Subletting.

Tenant shall not assign this Lease or any interest therein or sublet the leased premises or any portion thereof without the prior written consent of Owner, which consent may be granted or withheld in the sole and absolute discretion of Owner, and no permitted assignment or subletting shall relieve Tenant of Tenant's covenants and agreements hereunder. The consent of Owner to any one assignment or sublease pursuant hereto shall not be deemed to be a waiver of the provisions of this SECTION with respect to any subsequent assignment or sublease. Each such permitted sublease shall expressly be made subject to the provisions of this Lease. If Tenant assigns any of its rights and interests under this Lease, the assignee under such assignment shall expressly assume all of the obligations of Tenant hereunder in a written instrument satisfactory to Owner at the time of such assignment. No assignment or sublease shall relieve Tenant of its obligations hereunder, and all such obligations shall continue in full effect as obligations of a principal and not as obligations of a guarantor or surety to the same extent as though no assignment or subletting has been made. In the event Tenant shall assign this Lease or sublease the leased premises for rent or other consideration in excess of the rent payable hereunder, Owner shall receive all such excess rent or other consideration as additional rent hereunder. The assignee or sublessee shall be required to make all payments due to Owner. Tenant shall, concurrently with the execution and delivery of any such permitted assignment or sublease, deliver a duplicate original thereof to Owner. A change in the beneficial or record ownership of any class of capital stock of Tenant, a transfer of partnership interests of the beneficial interest in Tenant, and a sale of substantially all of the merchandise on the leased premises to one purchaser shall be treated as and deemed to be an event of assignment of this Lease within the foregoing provisions of this SECTION, if the effect of same shall be to result in a change of 50% or more in management or control of Tenant which shall be subject to the terms hereof. In the event Tenant seeks to assign this Lease under Section 365 of the Bankruptcy Code or any other provisions relating to the assignment of leases, Owner shall have the option at its sole discretion, to purchase Tenant's interest in this Lease at the same price as is approved by final order of the Bankruptcy Court, for assignment of this Lease. Whether or not Owner consents to any proposed assignment or subletting of any portion of the leased premises Tenant shall pay Owner, concurrently with each assignment or subletting request by Tenant, a review and processing fee in an amount equal to $750.00. Tenant further agrees that it will reimburse Owner for Owner's fees and expenses arising out of said assignment and sublet, including reasonable attorneys' fees, whether approved by Owner or not.

Notwithstanding the foregoing, Owner's consent to a requested assignment of the Lease shall not be unreasonably withheld or delayed, provided: (i) Tenant and Guarantor remain liable to the terms, covenants and conditions of this Lease; (ii) the use remains the same as provided for in Section 7.01 of this Lease; (iii) the liquid net worth of such assignee, specifically excluding any retirement monies (whether in a 401(k), pension or other form) and other amounts that may be protected in whole or in part from creditors by law (i.e. personal residences), exceeds $1,000,000; (iv) the assignee (or each of the assignee's principals if the assignee is not an individual) has a credit rating of at least 775 (as determined by a credit bureau selected by Owner); (v) the assignee has two (2) or more majority owned locations that are all currently open for business (and have been open for not less than three (3) years) and operating with the same use as provided for in Section 7.01 of the Lease; (vi) the assignee has a tax return that exceeds the lower of (i) $300,000.00 or (ii) Tenant's most recent tax returns per year; and (vii) the assignee is comprised of all of the individuals that are principals of the business to be operated by assignee (or all of such principals execute guaranties of the Lease in form prepared by Owner).

SECTION 17.02. Criteria for Assigning and Subletting.

Owner has retained the prior right of consent to proposed assignment or sublease for several substantial business and equity reasons which were considerations for this Lease, including, without limitation, the fact that the success and continuation thereof the Shopping Center is directly related to the use and operation of each particular store in the concept of the overall and integrated merchandising scheme of the Shopping Center; the obligations of Owner to mortgages, major tenants, other nearby shopping centers and the public, and the reputation and expertise of Tenant. In evaluating and determining whether or not to consent to a requested assignment or sublease of the leased premises by Tenant, Owner must be satisfied in its sole and absolute discretion that the criteria elements set forth above must continue to be satisfied and Owner must receive adequate assurance of the financial condition and stability of the proposed assignee, sublease or subtenant ("assignee"); the reputation and expertise of the assignee, the ability and likelihood of payment of rents and other amounts due hereunder and such other assurances as Owner requires including those assurances that Owner has the right to receive in accordance with Section 365 (b)(3) of the Bankruptcy Reform Act of 1978.

SECTION 17.03. Encumbrances.

Neither this Lease nor any additional term of this Lease shall be mortgaged, pledged or encumbered by Tenant, nor shall Tenant mortgage, pledge or encumber the interest of Tenant in and to any sublease of the leased premises or the rental payable hereunder, without the prior written consent of Owner, which consent may be granted or withheld in the sole discretion of Owner, and Tenant shall not allow or permit any transfer of this Lease or any interest hereunder or operation of law. Any such mortgage, pledge, encumbrance, sublease or assignment made in violation of this SECTION shall be void.

SECTION 17.04. Corporate Ownership.

If at any time during the term of this Lease any part or all of the corporate shares of Tenant shall be transferred by sale, assignment, bequest, inheritance, operation of law or other dispesition so as to result in a more than 50% change in the present effective voting control of Tenant by the person or persons owning a majority of said corporate shares on the date of this Lease, Tenant shall promptly notify Owner in writing of such change, and such change shall be deemed an assignment of Lease and subject to the terms and conditions of Section 17.01 above. Owner may terminate this Lease at any time after such change in control by giving Tenant ninety (90) days' prior written notice of such termination.

SECTION 17.05. Franchise Arrangements.

If Tenant is associated with or is part of a franchise or chain operation (the "Franchise"), then, whether or not Tenant is a separate legal entity, Tenant shall fully comply with any agreement governing such Franchise (the Franchise Agreement") and shall remain a part of said Franchise, and the leased premises shall continue to be operated as an integral part of Tenant's Franchise. Tenant shall not enter into any action which would sever Tenant's business operation from said Franchise. In the event Tenant receives any notice of default under Tenant's Franchise Agreement, Tenant shall immediately notify Owner thereof.

ARTICLE 20 - DESTRUCTION OF LEASED PREMISES

SECTION 20.01. Total or Partial Destruction.

If the leased premises or any part thereof are damaged or destroyed by fire or other cause, Tenant shall immediately notify Owner thereof. If the leased premises are damaged or destroyed by fire or other cause, the damages shall be repaired by the Owner, at its own expense; provided, however, that if Owner determines that any damage or destruction was caused by the act or omission of Tenant or any employee, agent or invitee of Tenant, then Tenant shall pay the amount by which such expenses exceed the net insurance proceeds actually received by Owner on account of such damage or destruction; and provided further, however, that Tenant shall be responsible for any additional expenses incurred by Owner as a result of Tenant's failure to provide immediate notice of any damage or destruction of the leased premises. Owner shall only be obligated to restore the leased premises to a vanilla shell condition (including the restoration of lighting fixtures, HVAC equipment and dropped ceilings, to extent any of same were in the leased premises prior to the date of the casualty), and Tenant, at Tenant's expense, shall be obligated to make any other required improvements to the leased premises (including but not limited to any partitions, non-demising walls, floor coverings, wall coverings, storefront glass and glazing, exterior and interior doors, restroom fixtures and other leasehold improvements) and any equipment, fixtures, furnishings or decorations. Owner is not responsible for delays due to settling insurance claims, obtaining estimates, labor and supply problems or any other cause not fully under Owner's control. Notwithstanding any of the foregoing to the contrary, if more than fifty percent (50%) of the leased premises are rendered untenantable by fire or other cause or a casualty occurs and Owner determines that the repair and restoration of the leased premises will take more than sixty (60) days, Owner shall have and is hereby given the option to terminate this Lease by notifying Tenant in writing thereof within sixty (60) days of the date of the casualty, and, in that event, this Lease shall be deemed to be terminated as of the date of Owner's notice, and payments of Rent and additional rent shall be apportioned as of that date. SECTION 20.02. Partial Destruction of Shopping Center.

In the event that fifty percent (50%) or more of the rentable area of the Shopping Center shall be damaged or destroyed by fire or other cause, notwithstanding that the leased premises may be unaffected by such fire or other cause, Owner may terminate this Lease and the tenancy hereby created by giving to Tenant five (5) days prior written notice of its election to do so; which notice shall be given, if at all, within thirty (30) days following the date of said occurrence. SECTION 21.01. Total Condemnation of Leased Premises.

If the whole of the leased premises shall be acquired or condemned by eminent domain for any public or quasi-public use or purpose, then the term of this Lease shall cease and terminate as of the date of title vesting in such proceeding and all rentals shall be paid up to that date and Tenant shall have no claim against Owner for the value of any unexpired term of this Lease. The date of title vesting, whenever used herein shall mean the date in which Owner no longer has use of the facilities which have been condemned or acquired.

SECTION 21.02. Partial Condemnation.

If any part of the leased premises shall be acquired or condemned by eminent domain for any public or quasi-public use or purpose, then Owner, at its option, shall have the right to terminate this Lease by providing written notice thereof to Tenant, in which event this Lease shall cease and terminate as of the date of title vesting in such proceeding. Tenant shall have no claim against Owner for the value of any unexpired term of this Lease and rent shall be adjusted to the date of such termination. In the event of a partial taking or condemnation for which Owner does not so terminate this Lease, then Owner shall promptly restore the leased premises to a condition comparable to its condition at the time of such condemnation, less the portion lost in the taking, and this Lease shall continue in full force and effect without any reduction or abatement of rent.

SECTION 21.03. Total or Partial Condemnation of Parking Area.

If whole or part of the parking area in the Shopping Center shall be acquired or condemned by eminent domain for any public or quasi-public use or purpose, then Owner, at its option, shall have the right to terminate this Lease by providing written notice thereof to Tenant. In the event of termination of this Lease as aforesaid, Tenant shall have no claim against Owner nor the condemning authority for the value of any unexpired term of this Lease and rent shall be adjusted to the date of termination specified in Owner's notice.

SECTION 21.04. Damages.

All awards, damages and other compensation paid by any applicable governmental or quasi-governmental authority on account of such condemnation shall belong to Owner, and Tenant assigns to Owner all rights to such awards, damages and compensation. Tenant shall not make any claim against Owner or any applicable authority for any portion of such award, damages or compensation attributable to damage to the leased premises, value of the unexpired portion of the term of this

Lease, loss of profits or goodwill, leasehold improvements or severance damages. Nothing contained herein, however, shall prevent Tenant from pursuing a separate claim against the applicable authority for the value of furnishings and trade fixtures installed in the leased premises at Tenant's expense and for relocation expenses, provided that such claim is stated separately from any award to Owner and provided further that such claim shall in no way diminish the award, damages or compensation otherwise payable to Owner in connection with such condemnation.

ARTICLE 22 - DEFAULT OF THE TENANT

SECTION 22.01. Default.

An Event of Default shall be deemed to have occurred under this Lease if (i) Owner has not received from Tenant any rent due hereunder within thirty (30) days after the same shall be due, or (ii) Tenant or an agent of Tenant shall falsify any report required to be furnished to Owner pursuant to the terms of this Lease, or (iii) Tenant or any guarantor of this Lease shall become bankrupt or insolvent, or file any debtor proceedings or take or have taken against Tenant or any guarantor of this Lease in any court pursuant to any statute either of the United States or of any state a petition in bankruptcy or insolvency or for reorganization or for the appointment of a receiver or trustee of all or a portion of Tenant's or any such guarantor's property, or (iv) Tenant or any such guarantor makes an assignment for the benefit of creditors, or petitions for or enters into an arrangement, or (v) Tenant shall default under or terminate any Franchise Agreement, (vi) Tenant shall discontinue doing its business in the leased premises as defined in SECTION 7.01 of this Lease, or (vii) Tenant shall abandon the leased premises, or suffer this Lease to be taken under any writ of execution, or (viii) Owner has not received Tenant's Certificate of Occupancy within ten (10) days following the date Tenant opens of business, or (ix) Tenant defaults or fails to perform any other of the terms, conditions or covenants of this Lease to be observed or performed by Tenant not specified above in subsections (i) through (ix) of this Section 22.01 for more than ten (10) days after written notice of such default shall have been given to Tenant.

SECTION 22.02. Remedies.

If an Event of Default shall occur, then the provisions of this Section 22.02 shall apply. The provisions of this Article shall operate as a notice to quit, any other notice to quit or of Owner's intention to re-enter the Premises being expressly waived. Notwithstanding anything in this Lease to the contrary, upon the occurrence of an Event of Default, the monthly installments of Fixed Minimum Rent due thereafter under this Lease shall change to the same amount as would be payable in the case of a holdover under Section 1.05 for the remainder of the stated term of this Lease. Owner, besides other rights or remedies it may have, shall have the immediate right of re-entry using such force as may be necessary, may re-key any locks on any or all doors to the leased premises, and may remove all persons and property from the leased premises and such property may be removed and stored in a public warehouse or elsewhere at the cost of, and for the account of Tenant, all without service of notice or resort to legal process and without being deemed guilty of trespass, or becoming liable for any loss damage which may be occasioned thereby. Should Owner elect to re-enter, as herein provided, or should it take possession pursuant to any legal proceedings or pursuant to any notice provided for by law, it may either terminate this Lease or it may from time to time without terminating this Lease, make such alterations and repairs as may be necessary in order to relet the leased premises or any part thereof for such term or terms (which may be for a term extending beyond the term of this Lease) and at such rental or rentals and upon such other terms and conditions as Owner at its sole discretion may deem advisable; upon each such reletting, all rentals received by Owner from such reletting shall be applied; first, to the payment of any costs and expenses of such reletting, including brokerage fees and attorneys' fees and of costs of such alterations and repairs; second, to the payment of any indebtedness other than rent due hereunder from Tenant to Owner; third, the payment of rent then due and unpaid hereunder; and the residue, if any, shall be held by Owner for its own account. Tenant shall not be entitled to any credit for any rental amounts received by Owner from such reletting that are in excess of the monthly rent that was due by Tenant under this Lease. If such rentals received from such reletting during any month be less than that to be paid during that month by Tenant hereunder, Tenant shall pay any such deficiency to Owner. Such deficiency shall be calculated and paid monthly; provided, however, that Owner shall have the right, at Owner's sole option, to require that Tenant pay the entirety of such anticipated deficiency in a single lump sum, which amount shall be due and payable in full immediately after Owner notifies Tenant that Owner has relet the leased premises and determined the amount thereof. No such re-entry or taking possession of the leased premises by Owner shall be construed as an election on its part to terminate this Lease unless a written notice of such intention be given to Tenant or unless the termination thereof be decreed by a court of competent jurisdiction. Notwithstanding any such reletting without termination, Owner may at any time thereafter elect to terminate this Lease for such previous breach. Whether or not Owner has terminated this Lease for any breach, in addition to any other remedies it may have, Owner may recover from Tenant all damages it may incur by reason of such breach, including the cost of recovering the leased premises, attorneys' fees, and the amount of rent, additional rent and any other charges due, as reserved in this Lease, for the remaining term of this Lease and any extensions thereof, all of which amounts shall be immediately due and payable from Tenant to Owner. Tenant shall also be liable to Owner for (i) all Fixed Minimum Rent and additional rent that would have been payable under this Lease for any period for which Tenant was granted an abatement of rent under this Lease had such abatement not been granted,(ii) all Fixed Minimum Rent that would have been payable between the Possession Date and the Commencement Date had Fixed Minimum Rent been due during such period (assuming Fixed Minimum Rent would have been payable at the rate in effect during the first lease year) and (iii) all tenant improvement costs and repair costs, brokerage fees, attorneys' fees and other out of pocket costs incurred by Owner in connection with entering into this Lease, all of which amounts shall be immediately due and payable from Tenant to Owner. The parties agree that a termination of this Lease by summary ejectment and/or eviction of Tenant by Owner or for any reason that may otherwise cause this Lease to terminate shall not relieve Tenant from any liabilities that would have accrued in the future under this Lease, including rent and other amounts due during the entire term of this Lease as specified herein. More specifically, Tenant agrees that it shall be liable for any and all future rent and other sums due under this Lease for the stated term of this Lease regardless of whether this Lease is terminated early by any process including, but not limited to, summary ejectment or eviction of Tenant or for any other reason that may otherwise cause this Lease to terminate. Whether or not this Lease or Tenant's right of possession of the leased premises is terminated, if an Event of Default shall occur, then, notwithstanding anything in this Lease that may be to the contrary, (i) any renewal, expansion or early termination options shall automatically be nullified and of no further force or effect, and (ii) Owner may grant or withhold any consent or approval pursuant to this Lease in its sole and absolute discretion.

SECTION 22.03. Governing Law and Jurisdiction.

Owner and Tenant agree that this Lease shall be governed by and construed in accordance with the domestic laws of the State of New York without giving effect to any choice or conflict of law provision or rule (whether of the State of New York or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of New York.

Owner and Tenant further agree that any action, suit or proceeding arising out of or relating to this Lease, or the parties' relationship arising out of the Lease, shall be adjudicated exclusively in New York State Supreme Court, Monroe County, New York, and the parties expressly, specifically, and irrevocably consent to the personal jurisdiction and venue of such court. Tenant further acknowledges that Tenant transacted business in New York State by entering into this Lease. In the event of an action, suit or proceeding arising out of or relating to this Lease, or the parties' relationship arising out of the Lease, Tenant waives all objections to venue on the grounds of forum non conveniens or for any other reason. Tenant appoints Lynx Development Corporation as its agent for the service of process for any action commenced by Owner.

Notwithstanding anything in the immediately preceding two (2) paragraphs to the contrary, upon Owner's delivery of written notice to Tenant that Owner has relocated Owner's principal office to a jurisdiction other than Monroe County, New York, then, with immediate effect following delivery of such notice (i) this Lease shall be governed by the laws of such jurisdiction, (ii) all references to "New York" in the immediately preceding two (2) paragraphs shall immediately be changed to such jurisdiction, and (iii) the venue for any dispute shall be the State Court located in the County where Owner's new principal place of business is located.

Owner may change, from time to time, the agent for service of process by written notification to Tenant giving the name and address of such new agent and the appointment thereof shall be effective thirty (30) days after the date after receipt by the Tenant of such written notice.

Tenant acknowledges and agrees that any action, suit, proceeding or mediation arising out of or relating to this Lease, or the parties' relationship arising out of the Lease, at the sole and absolute determination by Owner and the New York State Supreme Court, may take place via remote virtual meeting platform included but not limited to *Zoom* video conferencing. Tenant hereby waives any and all objections to a virtual meeting setting. Tenant may not request or demand a virtual meeting platform with Owner in any situation relating to the Lease.

Notwithstanding the foregoing, the parties agree that, solely with respect to actions and or proceedings by Owner seeking possession of the leased premises, including, but not limited to, actions and/or proceedings seeking to evict or eject Tenant, such actions and/or proceedings shall be venued in the jurisdiction in which the leased premises are located and shall be governed by the laws of the state in which the leased premises are located.

OWNER TENANT

Notwithstanding the foregoing, it is agreed that any action, suit or proceeding arising out of the Lease that is not for collection of rent or for other monetary matters shall be brought in the State where the Shopping Center is located.

SECTION 22.04. Legal Expense.

In case suit or demand shall be brought for recovery of possession of the leased premises, for the recovery of rent or any other amount due under the provisions of this Lease, or because of the breach of any other covenant herein contained on the part of Tenant to be kept or performed, Tenant shall pay to Owner all expenses incurred therefor, including attorneys' fees.

SECTION 22.05. WAIVER OF JURY TRIAL AND COUNTERCLAIMS.

THE PARTIES HERETO SHALL AND THEY HEREBY DO WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY EITHER OF THE PARTIES HERETO AGAINST THE OTHER ON ANY MATTERS WHATSOEVER ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS LEASE, THE RELATIONSHIP OF OWNER AND TENANT, TENANT'S USE OR OCCUPANCY OF THE LEASED PREMISES, AND/OR ANY CLAIM OF INJURY OR DAMAGE. IN THE EVENT OWNER COMMENCES ANY PROCEEDINGS FOR NON-PAYMENT OF RENT, FIXED MINIMUM RENT OR ADDITIONAL RENT, TENANT WILL NOT INTERPOSE ANY COUNTERCLAIM OF WHATEVER NATURE OR DESCRIPTION IN ANY SUCH PROCEEDINGS. THIS SHALL NOT, HOWEVER, BE CONSTRUED AS A WAIVER OF TENANT'S RIGHT TO ASSERT SUCH CLAIMS IN ANY SEPARATE ACTION OR ACTIONS BROUGHT BY TENANT.

SECTION 22.06. Waiver of Rights of Redemption.

Intentionally deleted

SECTION 22.07. Dispute Resolution.

In the event of an unresolved dispute between Owner and Tenant regarding the performance by either party of an obligation or condition of this Lease, the non-performance of which constitutes a default under this Lease, then Owner may, at its sole option, have the matter referred to an arbitrator for final determination in accordance with the rules of the American Arbitration Association or any successor and both parties agree that the final determination of such arbitrator shall be binding. Pending submission of the matter to arbitration and the arbitrator's final determination, no default shall be deemed to have occurred, and any time limit relative to such default shall commence from the date of the final determination of the arbitrator. This Section shall not, however, prevent Owner from seeking preliminary injunctive relief pending the outcome of such arbitration. Any arbitration shall be venued in Monroe County, New York, and Tenant irrevocably waives the right to challenge said venue on the grounds of forum non conveniens or for any other reason.

ARTICLE 23 - ACCESS BY OWNER

SECTION 23.01. Right of Entry.

Owner or Owner's agents shall have the right to enter the leased premises at all times to examine the same, and to show them to prospective purchasers or lessees of the building, and to make such repairs, alterations, improvements or additions as Owner may deem necessary or desirable, and Owner shall be allowed to take all material into and upon the leased premises that may be required therefor without the same constituting an eviction of Tenant in whole or in part and the rent reserved shall in no way abate while said repairs, alterations, improvements or additions are being made, by reason of loss or interruption of business of Tenant, or otherwise. Owner may exhibit the leased premises to prospective tenants or purchasers at any time, and may, during the six (6) months prior to the expiration of the term of this Lease or any renewal or extension term, place upon the leased premises the usual "For Lease" or "For Sale" notices, which notices Tenant shall permit to remain thereon without interference or molestation. If Tenant shall not be personally present to open and permit an entry into the leased premises, at any time, when for any reason an entry therein shall be necessary or permissible, Owner or Owner's agent may enter the same by a master key, or may forcibly enter the same, without rendering Owner of such agents liable therefor, and without in any manner affecting the obligations and covenants of this Lease. Nothing herein contained, however, shall be deemed or construed to impose upon Owner any obligation, responsibility or liability whatsoever, for the care, maintenance or repair of the building or any part thereof, except as otherwise herein specifically provided.

SECTION 23.02. Excavation.

If an excavation shall be made upon land adjacent to the leased premises, or shall be authorized to be made, Tenant shall afford to the person causing or authorized to cause such excavation, license to enter upon the leased premises for the purpose of doing such work as Owner shall deem necessary to preserve the wall or the building of which the leased premises form a part from injury or damage and to support the same by proper foundations, without any claim for damages or indemnification against Owner or diminution or abatement of rent.

ARTICLE 24 - TENANT'S PROPERTY

SECTION 24.01. Taxes on Leasehold.

Tenant shall be responsible for and shall pay before delinquency all municipal, county or state taxes assessed during the term of this Lease against any leasehold interest or personal property of any kind, owned by or placed in, upon or about the leased premises by Tenant.

SECTION 24.02. Loss and Damage.

Owner shall not be liable for any damage to property of Tenant or of others located on the leased premises, nor for the loss of or damage to any property of Tenant or of others by theft or otherwise. Owner shall not be liable for any injury or damage to persons or property resulting from fire, explosion, falling plaster, steam, gas, electricity, water, rain or snow or leaks from any part of the leased premises or from the pipes, appliances or plumbing works or from the roof, street or sub-surface or from any other place or by dampness or by any other cause of whatsoever nature. Owner shall not be liable for any such damage caused by other tenants or persons in the leased premises, occupants of adjacent property, of the Shopping Center, or the public, or caused by operations in construction of any private, public or quasi-public work. Owner shall not be liable for any latent defect in the leased premises or in the building of which they form a part. All property of Tenant kept or stored on the leased premises shall be so kept or stored at the risk of Tenant only and Tenant shall indemnify, defend and hold Owner harmless from any claims by Tenant's insurance carrier. Tenant acknowledges and agrees that (i) Owner shall not be obligated to provide security or any other type of protection for any equipment, personal property or installation in the leased premises, and (ii) neither Owner nor its agents shall be liable or responsible to Tenant for any loss or damage to any property or person occasioned by theft, fire, act of God, public enemy, injunction, riot, strike, insurrection, war, court order, requisition or other order of governmental.

SECTION 24.03. Notice by Tenant.

Tenant shall give immediate notice to Owner in case of any defects, fire or accidents in the leased premises or in the building of which the leased premises are a part which became known to Tenant.

ARTICLE 25 - SUCCESSORS

SECTION 25.01. Successors.

covenants and agreements herein. No rights, however, shall inure to the benefit of any assignee of Tenant unless the assignment to such assignee has been approved by Owner in writing as provided in SECTION 17.01 hereof.

ARTICLE 26 - QUIET ENJOYMENT

SECTION 26.01. Owner's Covenant.

Upon timely payment by Tenant of all rents herein provided, and upon the full and faithful observance and performance of all the covenants, terms and conditions on Tenant's part to be observed and performed, Tenant shall peaceably and quietly hold and enjoy the leased premises for the term hereby demised without hindrance or interruption by Owner or any other person or persons lawfully or equitably claiming by, through or under Owner, subject, nevertheless, to the terms and conditions of this Lease.

ARTICLE 27 - LIMITATION ON RIGHT OF RECOVERY AGAINST OWNER

SECTION 27.01. Limitation on Right of Recovery Against Owner.

Tenant acknowledges and agrees that the amount of recovery for any claim by Tenant under this Lease shall be limited to Owner's equity interest in the Shopping Center. Any judgments rendered shall be satisfied solely out of the proceeds of sale by Owner's sale of its equity interest in the Shopping Center, limited as aforesaid. No personal judgment shall lie against Owner upon extinguishment of its rights in the Shopping Center and any judgment so rendered shall not give rise to any right of execution or levy against Owner's assets. Owner shall incur no liability of any kind whatsoever to Tenant or to any person, entity, trust or other organization claiming by, through or under Tenant in connection with this Lease or the revocation thereof, or the use by Tenant of all or any portions of the leased premises or the Shopping Center. The provisions hereof shall inure to Owner's successors and assigns including any mortgagee and its respective directors, officers, principals and stockholders.

SECTION 27.02. Waiver of Consequential Damages.

Tenant agrees that Owner shall not be liable to Tenant for any special or consequential damages, including lost profits or revenues, as a result of Owner's default of its obligations under this Lease, and Tenant hereby waives, to the fullest extent permitted by law, its right to seek any such special or consequential damages, including lost profits or revenues.

SECTION 27.03. Survival.

The provisions of this Article 27 shall survive the expiration or earlier termination of this Lease. The provisions of this Article 27 shall inure to the benefit of Owner, the Owner Parties, and each of their respective successors and assigns.

ARTICLE 28 - MISCELLANEOUS

SECTION 28.01. Waiver.

The waiver by Owner of any breach of any term, covenant or condition herein contained shall not be deemed to be a waiver of any subsequent breach of the same or any other term, covenant or condition herein contained. The subsequent acceptance of rent hereunder by Owner shall not be deemed to be a waiver of any preceding breach by Tenant of any term, covenant or condition of this Lease, other than the failure of Tenant to pay the particular rental so accepted, regardless of Owner's knowledge of such preceding breach at the time of acceptance of such rent. No covenant, term or condition of this Lease shall be deemed to have been waived by Owner, unless such waiver be in writing by Owner.

SECTION 28.02. Accord and Satisfaction.

No payment by Tenant or receipt by Owner of a lesser amount than the monthly rent herein stipulated shall be deemed to be other than on account of the earliest stipulated rent, nor shall any endorsement or statement on any check or any letter accompanying any check or payment as rent be deemed an accord and satisfaction, and Owner may accept such check or payment without prejudice to Owner's right to recover the balance of such rent or pursue any other remedy in this Lease provided.

SECTION 28.03. Entire Agreement.

This Lease, the Exhibits and Rider, if any, attached hereto and forming a part hereof, set forth all the covenants, promises, agreements, conditions and understandings between Owner and Tenant concerning the leased premises and there are no covenants, promises, agreements, conditions and understandings, either oral or written, between them other than herein set forth. Except as herein otherwise provided, no subsequent alteration, amendment, change or addition to this Lease shall be binding upon Owner or Tenant unless reduced to writing and signed by them.

SECTION 28.04. No Partnership.

Owner does not, in any way or for any purpose, become a partner of Tenant in the conduct of its business, or otherwise, or joint venture or a member of a joint enterprise with Tenant.

SECTION 28.05. Force Majeure.

In the event that either party hereto shall be delayed or hindered in or prevented from the performance of any act required hereunder by reason of strikes, lock-outs, labor troubles, inability to procure materials, failure of power, restrictive governmental laws or regulation, riots, insurrection, war or other reason of a like nature not the fault of the party delayed in performing work or doing acts required under the terms of this Lease, then performance of such act shall be excused for the period of the delay and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay. The provisions of this SECTION shall not operate to excuse Tenant from prompt payment of rent, additional rent or any other payments required by the terms of this Lease.

SECTION 28.06. Notices.

Any notice, demand, request or other instrument which may be or are required to be given under this Lease, excluding sales or financial reporting if any, shall be delivered in person or sent by United States certified mail, postage prepaid return receipt requested or sent by overnight mail by a recognized national carrier and shall be addressed (a) if to Owner at the following address:

and (b) if to Tenant at the leased premises (or, at Owner's option, Owner may use the address on file with Owner). Any such notice, demand, request, or other instrument delivered or sent as described above will be deemed to be delivered when actually received by the designated addressee and, if required, its designated copy. Notwithstanding the foregoing provisions: (i) in addition to the notification methods set forth above, Owner may send to Tenant via electronic mail (at the email address on file with Owner and in the event Tenant's email address changes from the one on file with the Owner, Tenant agrees to immediately provide Owner with its new email address.) any notice, demand, request or other instrument which may be or is required to be given under this Lease . If Owner chooses to send notice to Tenant via electronic mail, it will be deemed to have been received when the authorized electronic mail agent of the Tenant accepted that email message, with the delivery status of at least "delivered," as stated in the "Receipt" received by Owner. Tenant may not send notice to Owner, via electronic mail.

SECTION 28.07. Captions and Section Numbers.

The captions, section numbers and article numbers appearing in this Lease are inserted only as a matter of convenience and in no way define, limit construe or describe the scope or intent of such sections or articles of this Lease nor in any way affect this Lease.

SECTION 28.08. Tenant Defined, Use of Pronoun.

The word **"Tenant"** shall be deemed and taken to mean each and every person or party mentioned as Tenant herein, be the same one or more; and if there shall be more than one Tenant, any notice required or permitted by the terms of this Lease may be given by or to any one thereof, and shall have the same force and effect as if given by or to all thereof. The use of the neuter singular pronoun to refer to Owner or Tenant shall be deemed a proper reference even though Owner or Tenant may be an individual, a partnership, a corporation or a group of two or more individuals or corporations. The necessary grammatical changes required to make the provisions of this Lease apply in the plural sense where there is more than one Owner or Tenant and to either corporations, associations, partnerships or individuals, males or females, shall in all instances be assumed as though in each case fully expressed.

SECTION 28.09. Broker's Commission.

Each of the parties represents and warrants that it has not engaged or dealt with any broker, agent or finder in connection with this Lease and that there are no claims for brokerage commissions or finder's fees in connection with the execution of this Lease, except for **Bield Holding Co LLC ATTN:** [redacted] ("Broker"), and each of the parties agrees to indemnify the other against and hold it harmless from all liabilities arising from any such claim (including, without limitation, the cost of counsel fees in connection therewith). In addition, Tenant represents and warrants that if Tenant so chooses to hire a real estate broker and/or brokerage firm (including Broker) in connection with the exercise of any renewal option granted to Tenant under this Lease or to negotiate any extensions, amendments (including but not limited to an amendment related to an expansion of the leased premises) or renewals to the Lease on Tenant's behalf, then Tenant shall be responsible to reimburse Owner for any and all of the real estate broker's commission that Owner is required to pay, regardless of whether Owner has entered into any direct agreement with such real estate broker and/or brokerage firm (including Broker).

SECTION 28.10. Partial Invalidity.

If any term, covenant or condition of this Lease or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such term, covenant or condition to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby and each term, covenant or condition of this Lease shall be valid and be enforced to the fullest extent permitted by law.

SECTION 28.11. No Option.

The submission of this Lease for examination does not constitute a reservation of or option for the leased premises and this Lease becomes effective as a lease only upon execution and delivery thereof by Owner and Tenant.

SECTION 28.12. Recording.

Tenant shall not record this Lease or a memorandum or so-called "short form" of the Lease.

SECTION 28.13. Survival.

Tenant's liabilities and obligations under this Lease existing as of the expiration or earlier termination of the term of this Lease shall survive such expiration or earlier termination.

SECTION 28.14. Conduct of Business.

Tenant agrees not to use the leased premises for a use that would be detrimental to a Family Type Shopping Center. Tenant will not use or permit any person to use, in any manner whatsoever the leased premises for any purpose, trade, business, occupation or vocation whatever, which may be in any way disreputable, immoral or pornographic in nature. Tenant agrees that it will not sell, distribute, display or offer for sale any item which, in Owner's judgment, is inconsistent with the quality of operation of the Shopping Center or may tend to injure or detract from the moral character or image of the Shopping Center within such community. Without limiting the generality of the foregoing, Tenant will not sell, distribute, display or offer for sale (i) any roach clip, water pipe, bong, toke, coke spoon, cigarette papers, hypodermic syringe or other paraphernalia commonly used in the use or ingestion of illicit drugs, or (ii) any pornographic, lewd, suggestive or "adult" newspaper, book, magazine, film, picture, representation or merchandise of any kind. Tenant shall conduct the operation of its business in such a manner so as not to permit unreasonable disturbances or other inconveniences, directly or indirectly, to other tenants, customers or shoppers in the Shopping Center. Tenant shall not permit loitering in, on or about the leased premises.

SECTION 28.15. Parking Lot Lights.

The parking lot lights are not in operation after the regular closing hours of the Shopping Center (11:00 p.m. is considered closing). Therefore, it is agreed that if Tenant's use requires the leased premises to be open past regular closing hours then Owner may require that the parking lot lights be illuminated as needed depending on Tenant's hours of operation. It is further agreed that Tenant will pay the cost incurred for keeping all the parking lot lights on in the Shopping Center since there is no separate metering or lighting applicable to Tenant's immediate parking area. Owner will use a reasonable method to compute the additional cost of the extended lighting period, such method of computation to be at the sole discretion of Owner. Tenant agrees to increase their monthly payment for common charges pursuant to Section 11.02 by the additional cost of the extended lighting and such additional cost of extended lighting shall be reconciled annually as set forth in Section 11.02.

SECTION 28.16. Relocation.

Intentionally Deleted

SECTION 28.17. Computation.

Notwithstanding anything to the contrary herein, for purposes of computing Tenant's pro-rata share of real estate taxes, common area maintenance and insurance expenses of the Shopping Center, Owner reserves the right to make such computations on a basis of a thirty (30) day month and a three hundred sixty (360) day year.

OWNER TENANT

SECTION 28.18. Tenant Contribution.

The initial Tenant contribution (common area maintenance, real estate taxes and fire and extended coverage) for partial months shall be prorated on a thirty (30) day month basis in all cases.

SECTION 28.19. Owner's Limited Liability.

Anything to the contrary in this Lease notwithstanding, the covenants in this Lease to be performed by Owner, shall not be binding personally, but instead said covenants are made for the purpose of binding only the fee simple or leasehold estate which Owner owns in the leased premises.

SECTION 28.20. Consents.

With respect to any provision of this Lease which provides or infers, in effect, that Owner shall not unreasonably withhold or unreasonably delay its consent or approval, Tenant, in no event, shall be entitled to make, nor shall Tenant make, any claim against Owner for money damages, and Tenant hereby waives any claim or assertion by Tenant that Owner has unreasonably withheld or unreasonably delayed any consent or approval, but Tenant's sole remedy shall be an action or proceeding to enforce any such provision of this Lease, or for specific performance, injunction or declaratory judgment.

SECTION 28.21. Confidentiality.

Tenant acknowledges and agrees the terms and conditions contained within the Lease are strictly confidential and Tenant will not disclose any of the terms or conditions of the Lease to any other tenants or prospective tenants of the Shopping Center, to any real estate broker or agent or to any other party whatsoever (except that Tenant may disclose such terms to its attorneys and accountants on a confidential basis) throughout the entire term on the Lease and any extensions thereof. Any breach by Tenant of this Section shall be a default of the Lease. If Tenant, Tenant's broker or any attorney or accountant of Tenant discloses any of the terms of the Lease to any other party, then the Fixed Minimum Rent (as then escalated) shall automatically be doubled for the remainder of the term of the Lease. In addition, Tenant hereby agrees to reimburse Owner for, and to indemnity, defend and hold Owner harmless from and against, any loss, cost, damage (including consequential damages) or expense (including attorneys' fees) incurred by Owner on account of any such breach by Tenant.

SECTION 28.22. Utilities.

Commencing on the Possession Date, with the exception of those utilities Owner may elect to provide as provided for in section 15.01 herein, all utilities serving the leased premises are to be in Tenant's name and Tenant is to pay bills directly to the utility company.

SECTION 28.23. Sprinkler System.

In the event the leased premises is equipped with a sprinkler system, Tenant shall pay to Owner [redacted] per square foot of the leased premises per year commencing on the Possession Date and continuing during the term hereof toward Owner's cost of monitoring such sprinkler system. Said amount shall be considered as additional rental, but not Fixed Minimum Rent, and shall be payable in equal monthly installments in advance on the first day of each full calendar month during the term.

SECTION 28.24. Demolition.

It is understoed and agreed between the parties that Owner shall have the option to cancel and terminate this Lease at any time during the term hereof by giving to Tenant one hundred eighty (180) days prior written notice of its intention to do so and stating therein the date on which this Lease shall terminate. Owner agrees that such date of termination will not be between October 1 and January 31 of any year. (d) Notwithstanding anything to the contrary in Section 28.25 with regards to Tenant's acceptance of the leased premises in an "as-is" condition, Tenant shall complete, at Tenant's sole cost and to Owner's sole satisfaction, the work items outlined in Exhibit "D" attached hereto.

(e) Notwithstanding anything in this lease to the contrary, Owner's obligations under this lease are contingent upon the execution of the LEASE TERMINATION AGREEMENT for the existing Lease between Owner and [redacted] with respect to the leased premises on terms satisfactory to Owner (the "Lease Termination") by no later than **October 15, 2025**. If the Lease Termination is not fully executed by **October 15, 2025** for any reason, then Owner shall have the right to terminate this Lease thereafter by providing written notice thereof to Tenant.

Tenant agrees that such use is strictly for Tenant's use and for no other purposes whatsoever. Tenant agrees, at Tenant's sole cost and expense, to maintain the Outdoor Cafe in a clean, presentable, and first-class condition at all times. In addition to the requirements set forth in Section 12.01 of the Lease, Tenant acknowledges and agrees, at Tenant's sole cost and expense, that its improvements to the Outdoor Café shall be completed in a timely manner using upscale/first-class materials for all of its finishes. Tenant shall submit to Owner for Owner's prior written consent, architectural plans and renderings along with any applicable engineered drawings for all modifications necessary to construct the Outdoor Café, which approval shall be at Owner's sole discretion. Tenant shall be responsible for all costs of every sort or nature to construct the Outdoor Café to ensure that the common areas

comply with all applicable laws, codes and regulations, including but not limited to the Americans with Disabilities Act. At the expiration of the Lease, at Owner's option, or upon notice from Owner, Tenant shall restore the Outdoor Café to its original condition of a parking lot and sidewalk. Notwithstanding anything in the Lease to the contrary, Owner reserves the right at any time, in its sole discretion, to revoke Tenant's license to use the Outdoor Café by providing written notice thereof to Tenant. If Tenant is prohibited by law, any governmental or other authorities or by Owner from using the Outdoor Café for any reason whatsoever, Tenant's other obligations under the Lease shall be unaffected.

Tenant agrees to indemnify, defend and save Owner harmless from and against any and all claims, actions, damages, liability and expense of any sort or nature (including attorneys' fees) incurred by Owner in connection with or arising from or out of any occurrence in, upon or on the Outdoor Cafe, or the use by Tenant of the Outdoor Cafe or any part thereof, including but not limited to loss of life, personal injury and/or damage to property.

Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Samir Bouchareb , owner presented the application for the new license. Space café has been doing take out only, now they want to put some tables. Current hours Monday to Thursday 10:00 am to 9:00 pm, Friday and Saturday 10:00 am to 10:00 pm. Once approved it will be 10:00am to 11:00 pm. Commissioner McCullough pointed out that lease do not indicate it can be operated as a discount store and as a restaurant. Per owner, the building department asked for a new floor and two entrances, one for the store and other for the restaurant. There is a partition between the business but it is not all the way to the ceiling. There were questions regarding the different hours of the business sharing the space and people wandering from one place to the other. Motion was made by Commissioner Sturniolo but later withdraw as the building department approved the plans without the portioners. Motion was made by Commissioner McCullough to continue the public hearing for the new common license for Space Café in the October 19th meeting, pending submission of building approvals and addendum to the lease that a restaurant can operate in the premises. Commissioner Sturniolo seconded.
